Conditions of Purchase

Purchase of this multi-client study is on a nonexclusive basis. This study has not been commissioned or contracted for by any one person or organization. The information contained is confidential to the purchaser, and the purchaser agrees not to circulate or loan the study in whole or in part to: their subsidiaries or divisions, industry trade associations (if not the purchaser), the general public, the media, nor other parties not belonging to their company, agency or organization. Unauthorized reproduction and dissemination, which is discovered by DFC Intelligence (the publisher) shall constitute grounds for legal prosecution and damages under U. S. copyright law.

DFC Intelligence has made every attempt to verify the accuracy and completeness of information in this study from sources we believe to be reliable. It is understood, however, that our estimates, forecasts, opinions and recommendations represent the judgment of our analysts, based on the best information available at the time of publication. It is recommended that purchasers also consult other available business sources and not rely solely on this analysis as the basis for major strategic, financial, or management decisions. DFC Intelligence makes no warranty or representation, either expressed or implied, with respect to the information in this report. In no event will DFC Intelligence be liable for direct, indirect or consequential damages resulting from any defect or inaccuracy in this report, even if advised of the possibility of such damages.

Information about specific companies is not intended to be a complete description, nor of their securities, nor is this study an offer to buy or sell such securities. DFC Intelligence's liability, if any, shall not exceed the amount paid for this study.
